

Primary PE and Sport Premium 2019-20

At Brough Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement to provide additional funding until 2020 to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children.

Sport Premium Grant

For the academic year, Sept 2019 – August 2020 we will receive an amount of £19,380

This funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools.

Sport Premium Spending

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

At Brough Primary School we are committed to using this funding to develop Physical Education, Healthy Active Lifestyles and Competitive Sport.

Our plans for the use of the Sport Premium funding include:

- Continued membership of the ER School Sport Partnership West (South Hunsley).
- Hiring qualified sports coaches to work alongside staff so they are best equipped to teach high quality PE for years to come.
- Continuing to take an active part in local sports competitions/events organised by ER School Sport Partnership West (South Hunsley) during the year 2019/2020.
- Developing intra-school competitions.
- Supporting and engaging less active children through an additional sports club.
- Making links to other community sports providers.
- Encouraging our children to improve their leadership skills through sport – Y6 Sports Champions Programme
- Promoting healthy active lifestyles and more active playtimes.
- Purchasing equipment to support extra-curricular clubs, lunch times and physical activities

as relevant.

- Funding to support staff or children attending training or competitions.

Carried forward unspent PE and sport premium grant funding from the 2019 to 2020 academic year

As a result of the coronavirus (COVID-19) outbreak, the Department for Education took steps to relax the ring-fencing arrangements for the PE and sport premium in the 2019 to 2020 academic year to allow any unspent grant to be carried forward into the 2020 to 2021 academic year.

Any under-spends carried forward will need to be spent in full by 31 March 2021 and schools should factor this into spending plans for their 2020 to 2021 PE and sport premium allocation. The [2020 to 2021 conditions of grant documents](#) reflect this.

Developing Physical Education			
What are we going to do?	How are we going to do it?	What will the impact/sustainability be?	What will the cost be?
Invest in the continuous professional development of teaching staff.	Hire Hull FC coaches to work alongside and train KS 2 teachers to deliver invasion games teaching programme.	KS 2 staff trained to deliver high quality invasion games teaching in the future. Which can be used across a variety of invasion games e.g. football, tag rugby, bench ball, netball.	£3000
	Hire Hull FC coaches to work alongside and train EYFS and KS 1 teachers to deliver multi-skills games teaching programme.	EYFS and KS 1 staff trained to deliver high quality multi-skills teaching in the future.	Hull FC Foundation package
