Transporting Pupils and Travelling for work

Transporting Pupils

At Brough Primary School we do not ask parents to transport other pupils to school events, however, parents are free to make their own private arrangements if they wish.

On occasion, it is necessary for members of staff to use their own vehicles to transport pupils, for example on educational visits in an emergency, or when there are too many children to travel on one coach.

This policy ensures that the adults taking part in such activities, and the pupils in their care, are safe in respect of the checks taken to ensure that all drivers are covered to undertake such activities.

Adults must ensure:

- That their car insurance covers them for taking children, other than their own, to and from venues. This is usually considered business insurance.
- Their driving licence covers them to drive the category of vehicle they are driving.
- The vehicle is fully taxed and insured.
- There are no endorsements for driving offences that would be considered unsafe i.e. dangerous driving.
- That car seats and seat belts comply with legal obligations for the height of the pupils carried.
- That any special seating is securely installed to the regulatory standards.
- That they do not travel alone with a child, ideally there should be two adults, or there may be more than one child.

The school will, through the V4 form and other precautions, ensure that the above checks are correct and:

- That the driving licence is valid in date, name and endorsements.
- We have returned parental permission slips from all pupils' parents that are travelling by car / people carrier etc; in advance of the journey.
- Parents are fully aware of the timing of the visit / trip, its purpose and that the pupils will be transported in a private vehicle.
- That all adults transporting pupils will complete a Validation Form (V4) for use of a private vehicle and retain the original for our records and a copy for themselves.

Travelling for Work

Staff must be aware that ANY travel which is not to their usual place of work is deemed as travelling for work i.e. training courses, meetings etc;

In the event of an accident insurance companies will not pay claims unless the driver is insured for the purpose of "travelling for work." This is deemed business use.

In order to ensure the safety of all employees and pupils staff must comply with the above and the following:

- **All** staff must complete the V4 and the additional section for employees. The original to be retained by the school and the staff member to keep a copy.
- Inform the Head teacher if there are circumstances which change during the period of one year from completion to the next form.

This policy does not cover every eventuality that may occur. It is considered good practice to:

- Always have the contact number of the school in case support is required.
- That the correct ratio of adult to pupil is adhered to.
- Any pupil illness is known in advance.

VALIDATION FORM (V4) FOR USE OF PRIVATE VEHICLE

Your offer of support to transport young people to offsite activities and events that are organised by the school/establishment is greatly appreciated. To safeguard everyone involved, all drivers of private vehicles are asked to provide the following information and assurances by placing a tick or cross in each box below and adding comments where appropriate. Managers/Head teachers can then use this information to assess the suitability of drivers and vehicles for transporting young people. (N.B. a crossed box does not necessarily mean that you cannot be used as a driver, but managers need to be aware of all relevant issues to make informed decisions). Thank you for your assistance and support.
