CHARGING AND REMISSIONS POLICY **BROUGH PRIMARY SCHOOL**

AIM

In conformity with the requirements of the Education Reform Act 1988, it is the policy of the Governing Body:

- To make a broad programme of activities and visits accessible to as many pupils as possible.
- To establish and maintain a fair and coherent system of charges within the constraints of the school budget, seeking to ensure that no child should have access to the curriculum limited by charges.

The Governing body also recognise that there is a clear distinction in charging between Curriculum and Non Curriculum activities.

CURRICULUM ACTIVITIES

Music Tuition

No charges will be made for music lessons relating to the National Curriculum entitlement given by the school. This includes recorder lessons and clarinet lessons.

The school facilitates the provision of instrumental tuition through the Schools' Music Service. Pupils are able to play a variety of string and woodwind instruments through this service. The availability of teacher time and instruments play a major role in deciding how many children can be offered this facility. A charge is made for these lessons. The charges for music tuition is approximately £40.00 per term, this charge is determined by the termly charge made to the school by the Local Authority to those participating. Where pupils are entitled to Statutory Remission the school request 50% of the cost of the music tuition.

General Lesson Costs

No charge will be made for practical subjects such as Art, Craft, Design or Technology, though in exceptional circumstances a voluntary contribution may be sought.

Residential Trips

Voluntary contributions will be requested for the cost of Non-Residential Visits and activities which take place mainly within school hours. No child may be excluded because of inability to pay but the school is entitled to cancel the visit if the level of contributions does not meet its budgetary requirements.

Residential Visit - Where pupils are entitled to Statutory Remission the school request 50% of the cost for a Residential Visit. If payment was not received by those with circumstances of severe financial hardship, the pupil(s) would not be excluded from such visits.

Any insurance costs will be included in charges for all visits and activities.
