

Subject	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	<p>People, Culture and Communities Children at the expected level of development will:</p> <ul style="list-style-type: none"> - Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps; - - Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class; - - Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps. <p>The Natural World Children at the expected level of development will:</p> <ul style="list-style-type: none"> - Explore the natural world around them, making observations and drawing pictures of animals and plants; - Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class; - Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter. 					
EYFS	Focus - their classroom and outdoor play area	Focus- the plants and animals in the school grounds	Focus- the four seasons	Focus- life here and in a cold country	Focus -life here and in a hot country	Focus- life here and in another country
KS1	<p>Locational knowledge</p> <ul style="list-style-type: none"> • name and locate the world's seven continents and five oceans • name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas <p>Place knowledge</p> <ul style="list-style-type: none"> • understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country <p>Human and physical geography</p> <ul style="list-style-type: none"> • identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles • use basic geographical vocabulary to refer to: <ul style="list-style-type: none"> key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop <p>Geographical skills and fieldwork</p> <ul style="list-style-type: none"> • use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage • use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map • use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key • use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment. 					

<p>Year 1/2 (Year A)</p>	<p>Focus- UK weather</p> <ul style="list-style-type: none"> - Inc recap of UK countries and capitals - Use of maps and atlases - compass points and locational language 	<p>Location Study- Focus on comparing UK weather, covered in Autumn, with a hot climate and cold climate (Greenland and India)</p> <ul style="list-style-type: none"> - Compare Brough and Qaanaq in Greenland- look at human and physical comparisons 	<p>Focus - mapping skills- in school and around Brough of key human and physical features</p> <ul style="list-style-type: none"> - Locational language and compass points - Aerials photos - Create simple maps and keys <p>Project on improving our school environment</p>
	<p>Regular locational knowledge sessions- focus on countries, capitals, main island/island groups and seas of the UK</p>		
<p>Year 1/2 (Year B)</p>	<p>Focus- Our school and the wider community, Brantingham, Brough and Hull. Fieldwork- Brantingham and Brough walks Mapping the area with simple keys. Fundraise for UK animal adoption.</p>		<p>Focus- the UK, the 4 countries and their capitals</p> <ul style="list-style-type: none"> - Look at the physical features found in each country- compare and contrast - Maps and aerial photos of physical features
	<p>Regular locational knowledge sessions- focus on countries, capitals, major cities, rivers, main islands and seas of the UK</p>		
<p>KS2</p>	<p>Locational knowledge</p> <ul style="list-style-type: none"> • locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time • identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night) <p>Place knowledge</p> <ul style="list-style-type: none"> • understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America <p>Human and physical geography</p> <ul style="list-style-type: none"> • describe and understand key aspects of: physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle - human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water <p>Geographical skills and fieldwork</p> <ul style="list-style-type: none"> • use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied • use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world • use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and dial technologies. 		

Year 3/4 (Year A)	Focus - mapping skills <ul style="list-style-type: none"> - Hull human geography -as a major city - Changes over time - Digital maps 		Location Study- Compare and contrast UK and another European country (Italy)- links to Romans <ul style="list-style-type: none"> - Environmental regions - Key human and physical features volcanoes
	Regular locational knowledge sessions- recap countries, capitals, major cities, rivers, main islands and seas of the UK Also main countries of Europe and their location compared to UK		
Year 3/4 (Year B)	Location Study- Focus on South America and rainforests Fundraising for endangered animal adoption	Focus - mapping skills focus on East Yorkshire (to compare with Norway in summer term) <ul style="list-style-type: none"> - Physical features focus - Climate of East Yorkshire 	Location Study- Focus on area of Norway to compare to East Yorkshire <ul style="list-style-type: none"> - Compare physical features - Climate zones- biomes (Tundra) - Vegetation belts- forest
	Regular locational knowledge sessions- focus on countries of European countries and capitals		
Year 5/6 (Year A)	Location Study- Egypt- desert climate study	short mapping skills in preparation for Cloughton- North Yorkshire physical geography	rivers and water cycle (Humber focus) Cloughton River pollution focus
	Regular locational knowledge sessions- countries and seas of Africa	Regular locational knowledge sessions- countries/seas - Americas	Regular locational knowledge sessions- countries/seas in Asia/ Oceania
Year 5/6 (Year B)	Location Study-Focus on North and South America		Mapping focus - Hull and East Riding mapping Local wildlife conservation focus

	Regular locational knowledge sessions- countries and seas of the Americas	Regular locational knowledge sessions- countries/seas - Africa	Regular locational knowledge sessions- countries/seas in Asia/ Oceania
