BROUGH PRIMARY SCHOOL

Cycle B

RE MEDIUM TERM PLAN AUTUMN TERM 2023 - Y3&4

Overview

In Lower Key Stage 2 pupils explore Christianity and Judaism and Hinduism in some depth, plus one other non-religious worldview, (Humanism).

Learning in Cycle A Y3&4 builds from prior knowledge, skills and understanding developed in KS1, particularly Unit 1.3 'Worship.' Children will explore actions and rituals associated with festivals, celebrations and times of remembering. Consider how symbols and artefacts may be used to express what is remembered. They will investigate the lives of key figures who may be described as founders of their faiths, such as Jesus, St Paul, Muhammad (pbuh), Guru Nanak, Baha'u'llah, Abraham. Children will consider some key beliefs and how faith members follow the teachings of those founders. They will make links with a local place of worship and contrast with a place of worship from a different faith. Through engaging in a range of experiences, such as workshops and visits, children will understand what makes a place sacred and to whom; how the place is used to mark the milestones of life.

September 2023

Learning in Cycle B Y3&4 provides an opportunity for pupils to find out more about their locality and their local community, to explore the diversity of religion found within and to study a religious community in depth. They will meet with different people and members of different faiths to investigate their beliefs and values and the impact on community life, and encouraged to ask questions about living in a multicultural society. Children will begin to recognise how religion has motivated people to dedicate themselves to worthwhile causes and the actions they have taken. They will understand some of the global challenges for mankind in caring for the world and be able to explain the concept of stewardship for different faiths. Throughout each unit of learning, there will be multiple opportunities to adopt a cross-curricular approach to teaching and learning, particularly in terms of researching local history, geography and the concept of citizenship.

Cycle B Year 3&4 Unit 4.1: Communities

Key Question: Where is religion?

About this unit:

Considered through a **social sciences** lens, this unit provides opportunity for pupils to find out more about their locality and their local community, to explore the diversity of religion found within, and to study a religious community in depth. It will be helpful to meet with different people, and members of different faiths, to investigate the impact of their beliefs and values on community life. It may be appropriate to make links to learning about local history and geography. Questions should be asked about living in a multicultural society.

Prior learning:

This unit builds upon work covered in Unit 1.1 *Belonging* and Unit 3.2 *Founders of faith*; make links to previous learning about British values.

Key vocabulary:

religion, identity, values, multicultural, diversity

End points:

How do religious values provide rules for living?

- give examples of beliefs and values from different faiths
- describe the impact of religious beliefs, values and rules on the life of a believer

These contribute to the following End of Key Stage statements:

 consider and apply ideas about ways in which diverse communities can live together for the wellbeing of all, responding thoughtfully to ideas about community, values and respect

By the end of this unit pupils should know about the religions and other worldviews represented in the locality; they have a knowledge of at least one religion *in depth* and its contribution to their community.

Also see the 'KS2 Christmas 1' unit which may follow.

Cycle B: Y3&4 MTP Autumn Unit 4.1: Communities

Key Question: Where is religion?

First, children look at the word belonging. They consider groups they belong to and how members of faith families have a sense of belonging including artefacts, rituals and rites of passage.

Cycle B Lower Key Stage 2 Christmas Overview

Key Question: What are the special symbols of the Christmas story?

About this unit

Considered through theological and a social sciences lens, this is a supplementary unit designed to help teachers ensure progression when exploring the festival of Christmas across Key Stage 2. It gives opportunity to explore and develop the concepts of Incarnation, God and Gospel.

The focus for **Cycle 1** is on Mary, mother of Jesus and for **Cycle 2** the focus is on the symbolism of light. It may be useful to consider festivals of light from other faiths alongside Christmas.

Prior learning

This unit builds on learning about festivals of light in KS1.

Key vocabulary:

nativity, festival, celebration, Messiah, annunciation, Epiphany, wise men

End points:

What is the significance of religious festivals and rituals?

- identify the stories celebrated at festivals from different faiths
- explain the meaning behind the celebration of festivals and rituals from different faiths

How do people express their beliefs?

These contribute to the following End of Key Stage statement:

 make connections between the beliefs that underpin different celebrations, forms of worship, pilgrimages and rituals

- identify symbols and artefacts which are important for at least two different faiths
- explain how artefacts and symbols express the beliefs of faith members
- recognise different forms of religious and spiritual expression
- describe and show understanding of links between different sacred texts and how those faith teachings influence communities and society today

By the end of the unit, children will be able to talk about the nativity story from Mary's point of view and from the perspective of one of the wise men. They will be able to explain how and why Christians believe Jesus to be the 'Light of the World.'

Cycle B: Y3&4 MTP Christmas MTP

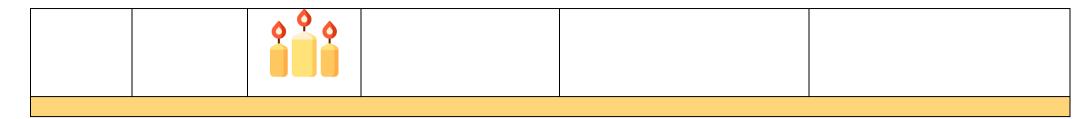

Key Question: What are the special symbols of the Christmas story?

In Y4, children will consider light as an important symbol and connect this to light as an important symbol of Christmas. Children will discuss why Christians describe Jesus as the 'light of the world' and explore how light is used in festivals.

Cycle B: Y3&4 MTP Unit 4.2: People who inspire us

Key Question: What makes a saint?

About this unit:

Considered through a social sciences lens, this unit explores the concept of commitment through a social sciences lens and provides opportunity to explore lives of people who have been inspired by religion to perform heroic deeds or dedicate their lives to a cause. Within the unit there are opportunities to also explore local saints and heroes, making links with aspects of history and citizenship.

Prior learning:

Key vocabulary:

saint, inspiration, sacrifice, a cause, altruism, justice and freedom

End points:

How is commitment demonstrated in the lives and work of significant people of faith?

- explain why significant people of faith acted according to their commitments
- explain how people are inspired by actions of significant people of faith

These contribute to the following End of Key Stage statements:

 demonstrate understanding of how people express their identity and their spirituality through symbols and actions

What motivates faith believers to get involved in different causes?

- explain the values that motivate people of faith to respond to a cause
- give reasons why people may choose to make sacrifices to improve the lives of others
- articulate the responses of different religious and non-religious worldviews to ethical questions, including ideas about what is right and wrong and what is just and fair

By the end of the unit, children will recognise how religion has motivated people to dedicate themselves to worthwhile causes and the actions they have taken.

Also see the KS2 Easter unit which may follow.

Recall – what is a saint? How are saints remembered in the local area? Display statement: All heroes are saints? – agree/disagree. What is a hero? Children work in small groups to discuss who local heroes are and why. Possible suggestions - although not exhaustive: Thomas Ferens Alfred Gelder Lilli Billoca Amy Johnson Jean Bishop (The Bee Lady)	Children record individual names of local heroes on sheets of paper. Make a class list of as many heroes as children can and they group them on a flip chart according to the qualities they think they show. Encourage discussion. What are the qualities? Why do you think that? Do they show other qualities? This should provoke discussion and changes. Use photographic evidence and/or use on working walls. Cycle B: Lower Key Stage 2 Easter Overview

Key Question: What is the significance of the cross for Christians at Easter?

About this unit

Considered through a theological and a social sciences lens, this is a supplementary unit designed to help teachers ensure progression when exploring the festival of Easter across lower Key Stage 2. It gives opportunity to explore and develop the concepts of Salvation and Gospel. The focus for Cycle 1 is on how Christians remember the events of Holy Week, and in Cycle 2 the different ways in which the cross conveys the importance and message of Easter.

It may be useful to consider Spring festivals from other faiths alongside Easter.

Prior learning

This unit builds on learning about Spring festivals in KS1.

Key vocabulary:

Holy Week, Last Supper, Holy Communion, Maundy Thursday, Good Friday, crucifixion

End points:

What is the significance of religious festivals and rituals?

- identify the stories celebrated at festivals from different faiths
- explain the meaning behind the celebration of festivals and rituals from different faiths

These contribute to the following End of Key Stage statement:

 make connections between the beliefs that underpin different celebrations, forms of worship, pilgrimages and rituals

How do people express their beliefs?

- identify symbols and artefacts which are important for at least two different faiths
- explain how artefacts and symbols express the beliefs of faith members
- recognise different forms of religious and spiritual expression
- describe and show understanding of links between different sacred texts and how those faith teachings influence communities and society today

By the end of the unit, children will be able to talk about significant events in Holy Week. They will be able to explain how and why the cross conveys the message of Easter and consider how the crucifixion might offer salvation to Christians.

Cycle B: Y3&4 MTP Easter

Key Question: What is the significance of the cross for Christians at Easter?

In Cycle 2 children will consider different ways in which the cross conveys the importance and message of Easter. Children will explore key events associated with Holy Week, comparing Jesus' entry into Jerusalem on Palm Sunday with washing the disciples' feet on Maundy Thursday before considering how the crucifixion might offer salvation to Christians.

Cycle B: Y3&4 MTP Unit 4.3: Our world

Key Question: Who cares?

About this unit:

Considered through a **philosophical** and a **theological** lens, this unit builds upon understanding and appreciating the natural world. It focuses on the uniqueness of the Earth as Our World – a planet that everyone has a duty to respect and conserve. Throughout this unit, children explore how various faiths explain some of life's big and difficult to answer questions about God, creation and humankind's responsibilities towards the Earth.

Prior learning:

This unit builds upon work covered in Unit 1.1 *Belonging* and Unit 3.2 *Founders of faith*; make links to previous learning about British values.

Key vocabulary:

stewardship, khalifah, environment, ecology, habitat, Climate Action, Eco Warriors, Friends of the Earth, Extinction Rebellion, Greenpeace, Eco Schools, Eco Churches

End points:

What is an ultimate question?

- identify what makes some questions ultimate
- offer answers to an ultimate question from different faith perspectives

How did the universe begin?

These contribute to the following End of Key Stage statements:

 express understanding of the key concepts underpinning different faiths, linking sources of authority to belief compare different beliefs about how the universe began making reference to sacred texts

Why is it important to look after the Earth?

- compare religious teachings to see how faith members should care for the Earth
- show understanding of stewardship and suggest actions everyone can take

Who is God?

- explain how people of different faiths describe what god is
- identify what different sacred writings say about the attributes of God

 offer some answers to ultimate questions from different religious and non-religious perspectives

By the end of the unit, children will understand some of the global challenges for humankind in caring for the world and be able to explain the concept of stewardship for different faiths.
