A little more about some of the activities

High ropes

Zip Wire

Zip wire is a real thrill activity, which is great for group support and encouragement, individual confidence, and achievement. Flying across the length of our site big smiles and laughter are guaranteed...

Leap of Faith

Climb up to stand on a platform around 8 metres above the ground, then leap off and catch a bar which is dangling a short distance in front of you. That is the challenge that you face on our leap of faith; you are of course roped on in harness and helmet and therefore safe throughout...

Canoeing

Great fun in an exciting new watery environment;
Raft up the canoes for stability and head out onto
the water to learn how to paddle and steer through
a series of exciting, action packed, fun games...

Labyrinth

Always one of our most popular sessions; an indoor underground maze, bringing caving indoors. Two levels of passageways and chambers with obstacles along the way. Pupils will explore the maze trying to find locations and different exits...

Archery

Following an introduction, children receive coaching for their first arrows, until they are confident and have the skills needed to get arrows on target. Children use bows appropriate to their size and strength...

Adventure Walk

Pupils will explore and learn about the local area. Taking in Earl Crag and the pinnacle monuments, views across The Yorkshire Dales, Lancashire, and Yorkshire, scrambling and weaselling along the rock outcrops...
