Dear Parent / Carer,

Year 6 SATs revision books

At our recent SATs meeting for parents, we mentioned the CGP revision guides.

We have attached a list of available revision guides for both Maths and English, as well as Grammar, Spelling and Punctuation. These are very useful if you are wishing to support your child preparing for the SATs in May, however, they are **optional** - everything for all of the tests will be covered in school prior to the tests in May.

The study books are a reference for the Y6 curriculum and the targeted question books are ideal for revision at home.

For many of the guides, there are 2 options: those aimed at achieving the Expected Standard for Y6 and the 'stretch' versions, which are aimed at achieving Greater Depth at the end of Year 6.

These are the books we recommend for your child:

| | Expected | Stretch |
|--------------------------------|----------|---------|
| Maths | | |
| Reading | | |
| Grammar, Punctuation, Spelling | | |

We can secure a school discount for these revision guides by completing a multiple order so we kindly request that all orders are placed by Wednesday 18th October 2023 at the latest.

To place your order, please sign into your School Gateway app and select the relevant child's name. Please continue by selecting the **PAYMENTS** tab where the full list of books will appear as per the list included in this letter. You can individually select the books that you require and add them to your basket. You will then complete your purchases by checking out and entering your card details. Please contact the school office if you have any questions.

Reminder; SATs test dates:

Monday 13th May to Thursday 16th May 2024

If you would like any further information, please do not hesitate to get in touch.

Thank you
Year 6 team.
