

# Endangered Animal Competition

Can you make a model out of recycled boxes or paper, or draw a picture of an endangered animal?

If so, you can enter our new Eco Club competition to win a very cuddly polar bear named Aurora! Aurora is special as buying them has already contributed to the WWF (World Wildlife Fund).

Entry costs £1 and you need to add your year, class and name on the back.

**Entries by Tuesday 19th December to Miss Hazel.**

Thank you - The Eco Club
