Headteacher: Mrs H Shepherdson

16th January 2024

Dear Parents/Carers,

We are evaluating how we communicate with parents via social media and which outlet is preferred by parents to view details of classroom activities, sporting events as well as special performances and achievements.

As you will be aware, we recently redesigned our monthly Newsletter and this will continue to be provide a monthly update on our recent activities as well as providing an important diary of events for the upcoming calendar year.

Alongside this we would like to gather your opinions on other social media platforms that we could potentially use to share school events and activities with you. Could you please reply to this email indicating your preference of social media outlet that we may use in the future, or pop into the office and fill in a paper copy:

X / Twitter (currently using)	<input type="checkbox"/>	Instagram	<input type="checkbox"/>
Facebook	<input type="checkbox"/>	Other (please specify)	<input type="checkbox"/>

Any other suggestions:.....
.....
.....

Could we please ask that this be returned as a paper copy to the office or by emailing admin@broughprimaryschool.co.uk by Friday 26th January 2024. Thank you in advance for your assistance and feedback.
