8th February 2024

Dear parent/carer,

I am excited to announce that we are offering a KS2 Martial Arts Monday lunchtime club with our friends from Active Sports. The club will run on Mondays from 12.00pm - 1.00pm beginning on the second week after Half Term (**Monday 26th February**) until the end of Spring 2 for the Easter break.

The cost for this will be £14.00 for the 4 week club. This payment can be made through School Gateway. Please log into your Gateway account and select the **CLUBS** section. You will then be able to book the block sessions, add them to your basket and then proceed to checkout.

Only the first 20 children to sign up can be accepted to the club. Unfortunately, if we do not receive the necessary numbers of pupils signing up, we may have to cancel the club. If this is the case, we will inform you asap.

Please **send your child with a packed lunch** on the day in order for them to eat it in the school hall with the other members of the club prior to starting the session.

Kind regards,

Mr Miller

PE Coordinator
