Dear parents/carer,

Hull FC and ourselves are excited to launch a brand new KS1 breakfast club, running throughout the next Spring 2 term on a Wednesday morning from 8:00am – 8:45am.

The club will focus on the multi-sport activities and will involve a range of sporting activities for children to develop and get involved in before they start their school day. The club is run by coaches from Hull FC as part of our long-lasting School Sports Partnership with them during the 2023/24 academic year.

The club is open to booking now and you can claim your places for just £4 per session to register your child.

Please complete the link above for the breakfast club and you will be sent an email from Hull FC confirming your place. The password for the private link is broughprimaryschool

Please note - registrations are checked before people attend, in line with school procedures, and Hull FC ensure that the children attending are pupils of the school. The coaches will prepare and gather the children upon completion of the breakfast club and take them to their classrooms for registration before the school day.

If you require any further information, please contact sam.french@hullfc.com

Kind regards

Mr Miller
