20th March 2024

Dear parent/carer,

I am excited to announce that we are continuing to offer the KS2 Martial Arts Monday lunchtime club with our friends from Active Sports. The club will run on Mondays from 12.00pm - 1.00pm beginning on the second week after the Easter break (**Monday 15<sup>th</sup> April**) until the end of Summer 1 term for May half term.

The cost remains the same at £3.50 per session, with a total of £21.00 payable for the 6 week club. This payment can be made through School Gateway. Please log into your Gateway account and select the **CLUBS** section. You will then be able to book the block sessions, add them to your basket and then proceed to checkout. Please do not make the payment without booking the sessions in the CLUBS sections first.

Only the first 20 children to sign up can be accepted to the club. Unfortunately, if we do not receive the necessary numbers of pupils signing up, we may have to cancel the club. If this is the case, we will inform you asap.

Please **send your child with a packed lunch** on the day in order for them to eat it in the school hall with the other members of the club prior to starting the session.

Kind regards,

Mr Miller

PE Coordinator
