April 2024

Dear Parents/Carers,

I am delighted to confirm that Brough Primary School continues to be a good school, as confirmed by our OfSTED inspection earlier this year.

The OfSTED report is now live on the OfSTED website and a copy is on our school website.

We are incredibly proud of our school and the children we are lucky enough to teach. Thank you all for your support and for the overwhelmingly positive comments we received as part of the inspection. We feel very privileged to do the job we do and are incredibly proud of what we have achieved and the children we are lucky enough to work with.

To view our report, please follow the link below.

Thank you

H Shepherdson  
Headteacher
