Dear Parents / Carers,

Y3/4 Share Sessions – April 2024

We would like to invite you along to one of our art collage share sessions which are planned to take place in April.

With your support, the children will undertake the practical part of the summer term art, which is making a collage in the style of Brianna McCarthy, who is a well known Caribbean artist who makes collages of imaginary faces.

We are planning on running four share sessions (see above and below). These will take place in the art classroom, close to the school library. On the day, it would be a good idea to wear clothing appropriate for an art collage activity and then make your way to the school office to sign in with a member of staff. Once everyone is signed in, you will be escorted to the art room.

Please complete the reply slip below to let us know if you or someone in your family would like to attend. Places will be allocated on a first come, first served basis. We will send out confirmation of the session you have been assigned.

Thank you for your continuing support,

The Y3/4 team
