HEADTEACHER UPDATE

Welcome to the May edition of our school newsletter.

It is so nice to be enjoying some much needed sunshine at long last and it is lovely to see the children enjoying playing and running on the field at lunchtime and playtimes.

With that in mind, as the weather does get warmer can we please remind parents that sun cream must be applied before school or be sent with their child in a clearly labelled bottle. Children must be able to apply the cream themselves.

The Summer term is always a busy one with school trips and residential visits as well as transition events for our Year 6 children. Please see the full list of diary dates at the back of the newsletter.

OfSTED

We are delighted to confirm that we continue to be a 'good' school following our OfSTED inspection at the end of January.

Please follow the link below to view the report.

https://reports.ofsted.gov.uk/search?q=Brough+Primary+School&location=&lat=&lon=&radius=&level_1_types=0

This is a school that is built upon respect and kindness. Relationships between adults and pupils are warm and caring. A sense of family and community runs through the school. Pupils say they feel safe and that they trust adults to help them. Pupils look for opportunities to help each other. For example, older pupils enjoy role-modelling good manners and routines to children in Reception during lunchtime. Pupils are taught to understand different groups and people in society. As one pupil said, 'We are all different, and we should all be treated with care.'

SUMMER SOIREE

Please note that the date for this has changed.

The Summer Soiree will now be held on Friday 12th July.

This is very much a favoured event by children and the staff and we hope to see you all there!

PARKING ON ELLOUGHTON ROAD

Please note that we continue to receive concerns about parking on Springfield Avenue and ask that all parents/carers are mindful of parking safely so as not to endanger any pupils or adults and to be respectful of local residents.

Please see the information below which was emailed to all parents/carers on 16.4.24:

It has been brought to our attention that some parents/carers are stopping on the yellow 'keep clear' lines near the school entrance on Elloughton Road.

As I am sure you will realise, this is putting children, and any accompanying adults, at risk and we ask that anyone dropping their child off in this area does not stop on these markings. It seems that there is a misconception that it is ok to stop on these markings if it is just to drop off, but not park. This isn't the case between the times indicated on the sign. The sign clearly states '**No stopping Mon-Fri 8.15-9.15am 3-4pm on entrance markings.**' We have been provided with clarity from East Riding of Yorkshire who have provided the following information.

The Keep Clear Marking to diagram 1027.1 as prescribed by the Traffic Signs Regulation and General Directions 2016 is for use outside schools. The marking means no stopping and is advisory unless an upright sign is present, then it is mandatory and enforceable by civil enforcement officers and the police. Time periods will be shown on the upright supporting signs, generally there will be a morning time and an afternoon time for example 8.30-9.30am & 3-4pm during these times stopping by any motorists is an offence and can only stop in an emergency. Outside of the times vehicles are permitted and able to stop/park on the restrictions.

As this information clearly states, because there is also an upright sign present then it is an offence for motorists to stop on the entrance markings between the times shown.

Please can all adults who are dropping off or collecting from this entrance ensure that they are following the information on the sign and are not stopping on the lines between the times stated. We appreciate your support in this matter.

SCOOTERS & BIKES IN SCHOOL

Can we please ask you to remind your children that we have a long standing policy in place that bikes and scooters should not be ridden at any time or place on the school site before or after the school day.

We provide storage for both bikes and scooters if your children use either of these to get to and from school but they must be pushed rather than ridden once on the school site.

Thank you for your support.

TRANSITION DAY

Our class 'move up' transition day is due to take place on **Thursday 27th June 2023**.

Our current year 6 pupils will attend South Hunsley and each class at Brough will 'move up' to spend the day with their new class teachers.

We are just in the process of finalising the new classes for September 2024 and we will notify you of this in due course.

MRS WARNES

As you may know, Mrs Warnes has been working with us this year supporting our Y5 children in the mornings. Prior to this Mrs Warnes worked in the office as our receptionist.

Sadly, Mrs Warnes will be leaving us after half term to continue her teaching career. We are very sad to see her go and, on behalf of all the children and staff, I would like to thank her for her hard work and dedication in both of her roles with us.

I am sure the Y5 children will agree that Mrs Warnes is an excellent teacher who has been a huge asset to our school – we are very sorry to see her go but wish her every success for the future.
