KS2 CROSS COUNTRY EVENT

South Hunsley – 24.09.24

The sporting calendar got underway with the annual KS2 cross country event at South Hunsley. We arrived with a very healthy number of competitors - the most in a few years - and lots of children participating for the first time in a South Hunsley transition event.

Following on from four of our children qualifying for the final's event last year, this year saw three children qualify - another amazing success for our school considering only the top 3 runners from each category progressed. Huge congratulations to those three children and a very special well done to every other pupil who took part - some within just seconds of qualifying for the final themselves. The event was a real pleasure to watch and each of our children did themselves and their school proud!

SPORTS REVIEW

YEAR 6 BOYS FOOTBALL EVENT

South Hunsley – 08.10.24

Our Year Six boys got their football campaign off to a promising start at the annual South Hunsley Cluster football event last week, even if it wasn't quite as successful as it could so easily have been.

Playing in a group consisting of South Cave, Hunsley Primary and Swanland, our boys started the evening with a thrilling 3-3 draw against Hunsley Primary (conceding a last minute equaliser!), followed by a narrow 1-0 defeat to Swanland and then completing their group with a draw against eventual tournament winners South Cave.

The fact the boys had the better of the chances against South Cave shows how they could easily have been crowned champions themselves with a bit more fortune and decisiveness in front of goal on the evening. Nevertheless, they rounded off the evening with a convincing 8-0 win against North Cave to seal 5th place overall. Well done on some excellent and encouraging performances, boys!

GIRLS FOOTBALL EVENT

South Hunsley – 15.10.24

Our girls made their way to South Hunsley for the annual SHS Cluster event with a few of them a little bit nervous after not having played too much competitive football up to this point.

After just a few minutes of their opening game of the night, those nerves were blown away with a fabulous 1-0 victory over North Ferriby! The girls followed that opening game with three other impressive performances which brought about another victory, an unlucky defeat and then an agonising penalty shoot-out loss in the 3rd/4th place play-off.

Well done, girls. Keep these performances up throughout the year, show the same excellent, determined attitude and success will soon follow!

SPORTS REVIEW

EAST RIDING CROSS COUNTRY FINAL

Cottingham High School – 22.10.24

After their fantastic performances at the recent Cluster event held at South Hunsley, we had three of our pupils qualify for the East Riding Cross Country Finals.

Unfortunately, after running the race of his life a few weeks ago, our Y3/4 participant was too unwell to attend the final, but we are all still incredibly proud of his incredible achievement of reaching such a prestigious event.

Our two Y5/6 participants did a brilliant job of keeping up with the leading pack in their respective races and were only a matter of seconds away from finishing in a medal position.

Congratulations to both of them for giving their all until the very end - we are lucky to have such skilled runners in our school. Well done to all three of you!
