

# Y4 South Hunsley football event

## Tuesday 25th June

Our Y4 football fanatics recently took part in the final Y3/4 football event of the school year at South Hunsley. There were some fabulous goals scored as we came away with two victories, one draw and a defeat throughout the evening. The performances will hopefully go from strength to strength as they continue to play together as a team throughout their time in Year 5. I'm certainly excited to see how successful this team can be!
