

Great Athletes sponsored fitness event

Thursday 6th February 2025

Our whole school recently took part in a sponsored fitness event in partnership with Great Athletes.

The inspirational blind athlete, Roy Turnham, attended the event working with each class to complete sponsored fitness circuits.

Roy plays for the National Blind Football League as well as previously playing for England and Great Britain. He also competed in the London 2012 Paralympic Games! He delivered a fascinating assembly that had everybody in awe of his amazing story and successful career.

Thank you to Roy and everybody at Great Athletes for making it such a memorable experience for all of us at Brough Primary School.

The event was staged to help raise money for new sports equipment in order to improve physical activity in the school, as well as supporting both athletes and para-athletes, so that they can continue to inspire the next generation. After all of your amazing generosity, we are thrilled to announce that **£3,222.70** was raised in total. This is an incredible amount of money and will make such a difference to both our school and athletes, such as Roy, as they continue to inspire children.

On behalf of Great Athletes and our school, thank you so much!
