

Dear parent/carer,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 7 February 2025**.

## Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

«» On average, a child contacts Childline every **45 seconds**.

### Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*.

Children are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme.

To help raise money for the NSPCC, we are asking for donations of £1, and we’d love everyone in the school to take part in this special event.

### NSPCC Rocks

We have also enrolled to take part in a friendly competition involving schools across the UK.

- The competition runs from 07:30 am Friday 7th February 2025 to 19:30 pm Friday 7th February 2025. It’s all done online via [play.ttrockstars.com](https://play.ttrockstars.com).
- Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point.
- To support player wellbeing, there is a daily time limit of 60-minutes per player. Each player can earn competition points for up to 60-minutes between 07:30am and 19:30pm.

## It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.  
Mrs. Wilson  
Maths lead
