Girls' East Riding Football League versus Elloughton & Welton Monday 17th March 2025 - South Hunsley School

In what was our first set of fixtures in the East Riding Football League, our girls showed impressive progress in a short amount of time to pick up two wins, one draw and a defeat. Incredibly, the girls showed enormous amounts of spirit to battle back from a 4-1 defeat to Elloughton in our opening game to then come out victorious against the same team a short while later! Add this to a victory and a draw against Welton and the girls have got themselves off to a very solid start to the campaign. Next up... Hessle All Saints. Well done, girls!
