YEAR 4 SPORTS HALL ATHLETICS

South Hunsley – 28.01.25

It was the first time at a South Hunsley Transition event for some of our Year Four pupils as we competed with our local schools at the annual Sports Hall Athletics.

Each child competed in a mixture of track and field events as they worked as a team to score as many points as possible to go towards a grand total at the end. Throughout the evening, there were some eye-catching performances, especially in some of the running and jumping events.

As well as being proud knowing that they represented their school in the best possible way, the children were also very proud of their performances and a 4th place finish overall, as you can see below! Well done everybody and we look forward to many more sporting events involving you over the coming years.

YEAR 6 BENCHBALL

South Hunsley – 04.02.25

Our Year 6's enjoyed lots of fun and success in the recent annual Benchball event at South Hunsley School.

They won the vast majority of their games throughout the evening and played the game exactly as it should be played - competitively but with plenty of smiles and enjoyment!

They were extremely unlucky to not finish the event in a podium position, missing out on 2nd place by a mere two points. Well done to all of our children involved and thank you for making it such a fun event to watch!

GREAT ATHLETES SPONSORED FITNESS EVENT – 06.02.25

Our whole school recently took part in a sponsored fitness event in partnership with Great Athletes.

The inspirational blind athlete, Roy Turnham, attended the event working with each class to complete sponsored fitness circuits.

Roy plays for the National Blind Football League as well as previously playing for England and Great Britain. He also competed in the London 2012 Paralympic Games! He delivered a fascinating assembly that had everybody in awe of his amazing story and successful career.

Thank you to Roy and everybody at Great Athletes for making it such a memorable experience for all of us at Brough Primary School.

The event was staged to help raise money for new sports equipment in order to improve physical activity in the school, as well as supporting both athletes and para-athletes, so that they can continue to inspire the next generation. After all of your amazing generosity, we are thrilled to announce that **£3,377.70** was raised in total. This is an incredible amount of money and will make such a difference to both our school and athletes, such as Roy, as they continue to inspire children.

On behalf of Great Athletes and our school, thank you so much!
