

Y5 Boys East Riding Football League versus Westfield Primary

Wednesday 14th May 2025

Our Y5 Boys finished their East Riding League season with a trip to Westfield Primary School earlier this week. As always, the boys were very excited for the game and were desperately looking for a couple of victories which would have meant qualification for the Finals event next month. Unfortunately, the boys came up against a very good Westfield side and, although they certainly never gave up, they just couldn't dominate possession enough to get back into either of the games and fell to a 2-0 and a 2-1 defeat. Despite defeat, the boys can use this disappointment to drive them on to success in next year's Y6 East Riding league season. Well done on an enjoyable campaign, boys. You've been a pleasure to watch!
