

# Y6 Boys East Riding Football League versus Mount Pleasant

Monday 12th May 2025 - South Hunsley School

Our Y6 Boys football team put on a show earlier this week as they faced Mount Pleasant in their East Riding Football League fixture. After a yoyo start to the first game in which we scored inside the first minute and conceded an equaliser in the second minute, our boys took complete control with some dominant passing and finishing to win the opening game 11-1. The second game followed a similar pattern, without the crazy end-to-end start to the game, and the boys ran out 9-0 winners. In such dominant victories, sometimes it's hard to not get carried away during the game, but the boys stuck to their passing and moving and it was lovely to see a wide range of names on the scoresheet. Well done, boys. Now we look forward to the Finals event next month!
