## YEAR 6 BOYS FOOTBALL

### South Hunsley School – 16.09.25

Our Year Six boys got the football season off to a promising start at the annual South Hunsley Cluster football event - even if it wasn't quite as successful as the boys were hoping for.

There were some excellent performances throughout the evening and some real moments of magic - including some fascinating goals - but a 1-0 defeat to eventual winners Elloughton cost us the winners medal at the end of the night. Nevertheless, there were plenty of promising signs as we look forward to a football-filled year ahead! Well done, boys

## KS2 CROSS COUNTRY South Hunsley – 30.09.25

This year's Key Stage 2 Cross Country event saw us take a record number of pupils to South Hunsley School. It was a wonderful sight to see so many of our children ready and raring to race - especially those children in Year 3 who were attending a South Hunsley Transition event for the very first time!

As with every year, each of the races were incredibly tight with our Y3/4 Boys team and Y5/6 Girls team coming a very close second in their respective races - just missing out on qualification for the Team Finals event. We did, though, have a winner in the Y5/6 Boys event who qualified for the Individual's Final to be held at Cottingham School. What a fabulous achievement!

## YEAR 4 BOYS FOOTBALL

### South Hunsley - 07.10.25

Our Year 4 boys represented their school for the first time at South Hunsley School earlier this evening and what a show they put on! We had enough football-obsessed children to enter two teams into the event and players from both teams showed excellent attitude and commitment throughout the evening.

Both teams finished in a very respectable 2nd position in their groups overall, with some of the passing moves on display being fabulous to watch. I can't wait to see more of the same as they progress over the next couple of years. Well done, boys - Mr Miller and Ms Hazel were very impressed!

### YEAR 5 BOYS EAST RIDING FOOTBALL LEAGUE vs ACRE HEADS PRIMARY South Hunsley – 13.10.25

The day that our footie mad Year Fives had been waiting for was finally here - the start of the Year 5 East Riding Football League! In a group consisting of Anlaby Primary, Anlaby Acre Heads, Hessle Peshurst and Westfield, it was Acre Heads who we faced in our opener.

After a blistering start from our visitors and a few early goals, our boys did really well to keep their heads up and to keep playing as they knew best rather than panicking and kicking the ball anywhere. This attitude paid off eventually as the second half of the opening game was much tighter and the following game was poised at 1-1 for a period of the first half.

The boys continued to improve their passing game as the minutes passed and caused Acre Head's defence more issues than in the opening game, but the visitors eventually pulled away with a few late goals to seal both victories across the evening.

It wasn't quite the results that we'd hoped for but it was certainly the attitude that Mr Miller had hoped for and that should fill the boys with confidence going forward in the league. Well done, boys!

### GIRLS FOOTBALL

#### South Hunsley – 14.10.25

Our girls made their way to South Hunsley for their first football event of the new school year whilst looking fabulous in their brand new kit! As always, the FOBS logo takes pride of place across the front of the shirts to show our appreciation for everything they do for our school all year round, year after year.

The girls were buzzing with excitement as they took to the pitch against children from other schools in our local cluster. The first game was a close encounter with Welton which finished in a goalless draw followed by a battling defeat against eventual winners North Ferriby. In the third game, the girls were hugely determined to get their first win on the board and came within inches of making that happen against North Cave but the ball would just not quite go in the back of the net and another goalless draw was the result. The girls took their chances, though, in the final game of the evening and came away with a resounding victory against a very resilient Hunsley Primary.

It was a very well-deserved result and one which rewarded their hard work and character shown throughout the event. Finishing joint second overall was an achievement to be very proud of and one which the girls can build on as we begin our East Riding Girls Football League later in the school year. Well done, girls!

## KS2 CROSS COUNTRY FINALS

Cottingham High School – 21.10.25

A huge well done to this young man for a breathtaking run in the Y5/6 Cross Country Final in which he achieved 1st place!

As he did last month in the Qualifying event at South Hunsley School, he destroyed the rest of the competitors from all around the East Riding and strolled home to victory.

What an extremely proud moment for himself and for his school. An incredible achievement, well done!
