

Y6 Tigers Trust EFL Cup

Friday 21st November 2025 - South Hunsley School

Our Y6 football team served up a thoroughly entertaining couple of hours of football on a thoroughly cold evening at the Tigers Trust EFL Cup. Despite the testing conditions, the boys produced an eye-catching performance in their opening game of the tournament with numerous impressive passing moves and shots on goal, only to be denied on several occasions by an outstanding goalkeeper and then concede a heartbreaking last minute goal. Unfortunately for the boys, this pattern continued for most of the night - impressive performances, but not quite the results to match. This meant that we fell just short of qualifying for the next round of the EFL Cup, but the boys should be very proud of their efforts and confident of a successful 2026 to round off their footballing journey at Brough Primary School!
