

# Y5 Boys East Riding Football League versus Anlaby Primary

Tuesday 3rd February 2026

The bitterly cold conditions were not enough to stop the boys' excitement for our first game in the Y5 East Riding Football League as we made our way to Wolfreton School to face Anlaby Primary. Despite plenty of eye-catching moments, both games took a similar pattern - excellent starts but heart-breaking endings! Impressive passing and movement along with devastating finishing saw us take a 2-0 lead in each game, but a lack of concentration along with some great goals from Anlaby resulted in a 2-2 draw in Game 1 followed by a cruel 4-2 defeat in Game 2. The boys, though, can take away plenty of positives from the evening and should be confident leading into the remaining games of our league season.
